

Technical Data Sheet

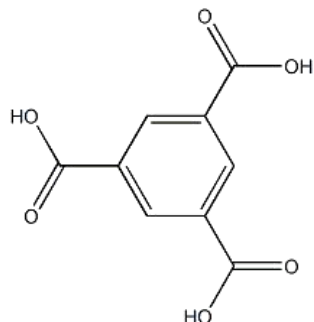

TDS NO.: KBR-442

Revision Date: 11/05/2020

Trimesic acid

Chemical Structure:

Typical Physical Properties

Product No.:	KBR-442
Chemical Name:	Trimesic acid
CAS No.:	554-95-0
EINECS No.:	209-077-7
Molecular Formula:	C ₉ H ₆ O ₆
Molecular Weight:	210.14

Safety

Risk Statements :	36/37/38
Safety Statements :	26-36/37/39-37/39
HS Code :	29173980

Application

used for chemical intermediates, plasticizer, cross-linking agent, water soluble baking varnish, etc.

Packaging

100kg/drum (or according to customer requirements)
